LIFE RUNNETH AS THE BROOKS

The Brooks Family in Bedfordshire.

By Richard Morgan

The Brooks family were gentry at the heart of Bedfordshire and village (Flitwick) life from the mid eighteenth century to 1934.

Their extensive diaries, letters, sketches and photographs mean their life can be reconstructed remarkably fully. This handsomely produced book will appeal to local historians, and also social historians of the period.

Published in a numbered and strictly limited edition of only 150 copies.
